

TB SHIPYARDS KAMPEN

THECLA BODEWES SHIPYARDS

TB Shipyards Kampen is formerly known as Peters Shipyards. The knowledge of this shipyard founded in 1896 has been integrated in the Thecla Bodewes Shipyards

At TB Shipyards Kampen we can build up to 135 meters in length and up to 17,8 meters breadth.

We build

- Innovative ships
- Safe ships
- Environmentally friendly ships
- Ships with unique value
- Client oriented

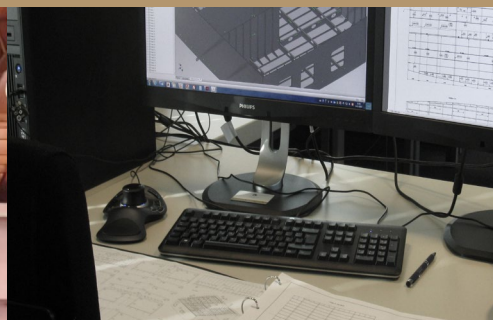

Our ships are built with passion and we work together with specialized partners to provide optimum quality with great flexibility.
